

Edwin M. Lee, Mayor  
Philip A. Ginsburg, General Manager

August 17, 2015

To: Prospective Bidders

The **Request for Proposals** (RFP) for the Marina, Coastal and Civil Engineering Design Services for the San Francisco Marina East Harbor Renovation is amended with the following Addendum, which is made part of said RFP:

**ADDENDUM NO. 3  
TO RFP FOR DESIGN SERVICES  
SAN FRANCISCO MARINA EAST HARBOR RENOVATION**

CHANGES TO THE REQUEST FOR PROPOSAL

Section 7. TECHNICAL QUALIFICATIONS, Subsection A. Prime Consultant and Joint Venture (JV) Partners Qualifications

REPLACE the Following Paragraphs:

3. To qualify as a Prime Consultant or Lead JV Partner for this RFP, a Consultant must possess a minimum of fifteen (10) years experience that demonstrates the capability to provide professional marine and marina engineering services and acted as the prime consultant on the renovation or new construction of a minimum 150 berth marina facility
4. To qualify as a Non-Leading JV Partner for this RFP, a Consultant (in this case the Principal) must possess a minimum of ten (10) years experience that demonstrates the capability to provide professional engineering services and worked on the renovation or new construction of at least a 100 berth marina facility.

NOTICE

The schedule for submission of the RFP will not be extended by virtue of any provision of this Addendum.

Sincerely,

A handwritten signature in blue ink that reads "Mary A. Hobson". The signature is fluid and cursive.

Mary A. Hobson, Project Manager
