ABOUT SENIOR GET-A-WAY TO CAMP MATHER:

The Senior Get-A-Way to Camp Mather allows those who are unable to drive the freedom to travel in the safety and comfort of a bus, while reducing our carbon footprint. We will take a day trip to Yosemite National Park to enjoy this beautiful natural wonder.

Relax and play on a four-night nature adventure. You will be staying in a cozy cabin with electricity and furnished with beds, dressers, chairs, and a picnic table. Participants bring your own bedding (such as a sleeping bag), towels, etc. Upon acceptance into camp, you will want to attend camp orientation to learn more details about camp. The bathrooms and showers are located in well lit bathhouses, a short walk from your cabin. Our meals will be served cafeteria style with a separate fresh salad bar and refreshment bars in our historic dining hall. Staff will provide daily activities such as crafts, hikes, water aerobics as well as fun evening activities such as movies, talent shows, informative lectures and campfires. You are allowed 3 items of luggage (1 carry-on, 1 soft suitcase/duffel/or closable bag, and one sleeping bag) if traveling on a bus. Registered participants are invited to attend a pre-camp Camp Orientation to learn more details about Camp Mather.

June Pick Up/Drop Off Bus Sites: Sunset Playground, Golden Gate Park Senior Center, and Wawona Clubhouse

IMPORTANT INFORMATION:

If you are signing up as an individual without listing a roommate's name, then you will be placed with another independent cabin partner of the same gender. All cabins will be occupied by at least two campers. No exceptions.

The elevation up at Camp Mather is 4,600 feet. June weather can range from cold to warm, with the possibility of rain. June Session can accommodate 150 campers.

REFUND POLICY: If you cancel your registration 30 days prior to the session, the withdrawal fee will be \$51.00 (per person). If you cancel your registration less than 30 days prior to the session, there will be NO REFUNDS.
