

- ▬ 12' Wide Accessible Path To Be Constructed with Playground Project
- □ □ □ □ □ 14' Wide Proposed Accessible Path through Park
- ■ ■ ■ ■ ■ 14' Wide Proposed Route for Large Trucks/Service Vehicles

Instructions

- 1) Existing Paths
 - Write "rehabilitate" or "rehabilitate and widen" over any existing paths you want to improve
 - Cross out any existing paths you want to remove
- 2) Additional Paths
 - Draw in any additional paths or stairs you want to propose
 - If you have preferences about width or materials, please note them
