- Silver Tree - New: \$3.9 million*

Discussion & Prioritizations

GLEN CANYON PARK IMPROVEMENT PLAN

Community Workshop #4

Prioritization Exercise

- Divide into groups and determine who will report back
- Discuss the preferred plan and record your comments
- Use your dots to identify your priorities
- Report back to the whole audience

Glen Canyon Park Improvement Plan Prioritization Exercise
04.07.11 - Workshop 4

Write your general comments about the preferred plan.
Place your dots in the square that best indicates your priorities for the park improvement plan.
Feel free to write specific comments on post-it notes to further explain your priorities.

● highest priority
● medium priority
● low priority

Note: Code improvements to the existing buildings, including ADA accessible rest rooms, are a required part of the improvement plan. Red Park will decide on timing for these upgrades, and are therefore not part of the prioritization exercise.

General Comments about the Plan

Islais Creek Stormwater Elements
(creek daylighting and rain garden)

Recreation Center Major Addition

Piazas & Entry Improvements
(entry includes coffee parklet)

Playgrounds
(2 new play areas)

Athletic Field Renovations
(including drainage, backstops, seating, new grass, and surfacing)

Bosworth Frontage Improvements
(stark, tree planting, vegetation)

New Silver Tree Building
(same location)

Elk Street Hillside
(nature challenge and ropes course, stairs, trails, vegetation)

New Tennis Courts
(set into the hillside)

Elk Street Improvements
(drop-off and traffic calming)
