Rules and Safety Guidelines

Participant Rules Players may only participate in one Out of School Time Program. That means if you sign up for a soccer team, you can not sign up for another sport or another out of school time activity. This is a SFPDPH requirement to limit possible spread of Covid-19.

Informed Consents Per DPH, parents must sign an informed consent agreeing to have their kid(s) participate.

Practices Number and length of practices will depend on the number of teams registering. Currently, we can only guarantee one practice per week of traditional length of time, given the high demand for field time.

Masks Required

Masks or facial coverings are required to be worn at all times, per DPH

No spectators

Immediate family member may supervise only and bring child to game. Spectators may not be allowed on field due to social distancing needs, per DPH

No Snacks

No group post-game snacks are allowed. Teams and players must leave the field immediately, per DPH

Game Times

Game times may be shortened to allow time for teams to clear the field between games
