for a summary of past community meetings and
to view the latest design.

As a result of the community meetings we held on June 13th and July 13th, we have been working with our design team and the Arts Commission to further develop the design of the recreation center renovation. In order to provide you an update on the design development and answer any questions you have, we will be holding an open house. We will be on hand to answer you questions. We hope you can come!

If you would like to request accommodations, please contact our Inclusion Center at 415.206.1546 or vicky.pitner@sfgov.org. Our TTY number is 415.242.5700. Please note that requesting accommodations at least 72 hours prior to an event will help ensure availability.
