Rendering of Project View - Great Highway/Sloat Boulevard Intersection Looking South

Meet with Us Wednesday, April 20 at 6:00pm

The San Francisco Public Utilities Commission, San Francisco Municipal Transportation Agency, and Recreation & Park Department will be holding a multi-agency, virtual community webinar to share status updates on the City's Ocean Beach Climate Change Adaptation Project.

The webinar focus will be on open space components within the Project's design phase which includes: multi-use trail, public bathroom, public parking lot, and new beach access points. Staff from the SFMTA will also provide an overview of proposed improvements to the transportation system as well as updates on other local westside projects.

Register today at bit.ly/OBProjectUpdates.

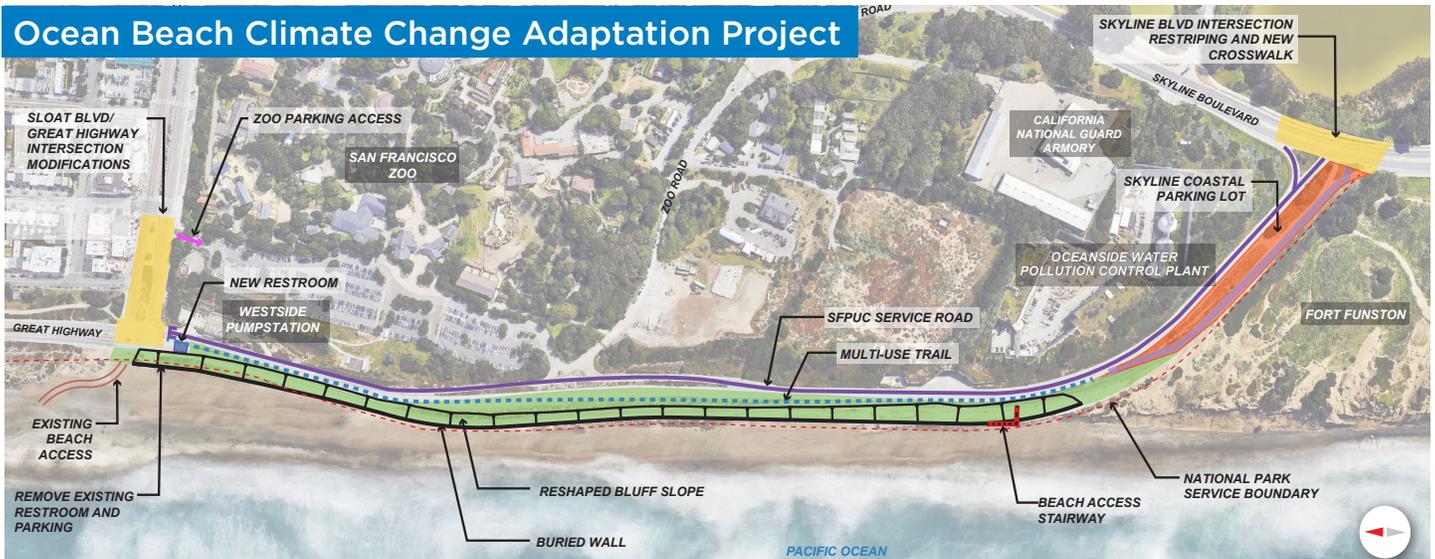

For information please visit bit.ly/soobproject and sfpub.org/oceanbeach.

For accommodation requests please contact Lucas Tobin, ADA Coordinator for Programmatic Access, at Lucas.tobin@sfgov.org or (415) 831-6834.

For translation services please call (415) 496-6204. Please note that giving us at least 72 hour notice will help ensure availability.

要求方便措施請聯絡項目接進ADA統籌Lucas Tobin, Lucas.tobin@sfgov.org 或 (415) 831-6834。
要求傳譯服務請在至少72小時前來電 (415) 496-6204, 這可幫助確保能提供服務。

Ocean Beach Climate Change Adaptation Project

Above are proposed changes as part of this project that will alter public use and accessibility along the Great Highway south of Sloat Boulevard.
