## New Mini Park at Guy Place on Rincon Hill Community Meeting on 2-13-14

### PUBLIC COMMENTS

1. Park to remain public. Do not restrict access to only a few which is done in London parks.
2. Concern with loitering in park and on the sidewalk. Otherwise she likes the plan.
3. Support to remove trees.
4. Concern that the adjacent restaurant will continue to place its trash receptacles in the park.
5. Concerned with water runoff from the street into the park.
6. How will street trees be maintained and watered?
7. Raccoon goes through trash cans. Set trash cans outside of the park.
8. Raccoons are attracted to water features.
9. Concerned with loss of parking (parking to move to other side of Guy Place)
10. Concerns with homelessness.
11. Concern with street tree canopy conflicted with overhead utilities.
12. Like the serenity-feel of park design. Likes evening park closure.
13. Supports Comment #13.
14. Concern with tree removal.
15. What type of lighting is planned?
16. A Community Benefit District is being planned for the park.
17. Bulb for the park entrance is a nice way to slow down traffic.
18. Large tree is not worth saving due to poor past pruning.
19. Provide secondary access on backside?

## COMMENTS RECEIVED VIA COMMENT CARDS

20. Like the 2008 design – serenity, oasis.
21. Locked gate entrance.
22. Use infrastructure financing district (City's tax increment) if additional funding needed.
23. In favor of the park in general. I believe 1<sup>st</sup> Street improvement needs to be addressed.
