LIVING GREEN COLUMNS

Living Green Columns

Phase 1 Approval Contingencies

- Eliminate the “ears” to extend rooms
- Align columns across from each other
- Set back fence with planting in front
- Consider lighter-color paving
- Add green strip at street to create room
- Present 3-D rendering

Informal Phase 2 Comments

- Will DPW approve column in ROW?
- Alignment of columns
- Column armature design
- Relationship of bamboo to columns
- Small berms for subtle space separation
- Provide planting & lighting plans
- Discussion of water elements
