# Community Involvement

## #BuchananChange

#BuchananChange is a community-supported project to build improvements in our park. We're working to create jobs, engage residents, catalyze city investment, and improve public safety.

Please attend our weekly design meetings to

*Make the change you want to see.*

African American Arts & Culture Center  
762 Fulton Street SF CA 94102

June & July

Every Thursday 4:30-6pm

Coming October 2015

Tyrone Mullins

- connect all blocks
- create dialogue between neighbors
- improve safety
- create gathering spaces
- social interaction
- sense of pride/ownership
- honoring history/memorial
- other; describe

<p>Comments: -rearrangeable</p>	<p>Comments: -people haven't seen it before, creates discussion -creative garden</p>	<p>Comments: - can be done on all blocks -love ones feel alive</p>	<p>Comments: -kids can paint stories -guide kids on route</p>
<p>This picture shows creativity but it's simple It's Green It's moveable Connects all blocks</p>	<p>This is amazing! I love this idea Never seen this before would enjoy creating</p>	<p>This is as close as it gets as something I would really want to see The memorial... It keeps the best ones alive It includes all blocks Means alot to me</p>	<p>Community involvement The youth would enjoy Connects all blocks creates life in the mall</p>

# Schedule

Buchanan Mall Timeline: DRAFT  
June 24, 2015

A park activation is a capital park project that is small-scale, high impact, short time frame, and involves community design and construction. Examples include a garden, art installation, and small playground.
