# Twin Peaks Trails Improvement Project

The Recreation and Park Department invites you to attend a meeting to discuss future trails improvements at Twin Peaks. At this meeting, we will focus primarily on plans for the new Portola Trail that will connect Glen Canyon to Twin Peaks. This is a follow-up to meetings held in 2011 and 2012, as well as to a meeting on September 12, 2013. Supervisor Wiener's office will join us, and we will address concerns raised at the previous meeting. Your input is important and will help us to improve the Twin Peaks trails in a way that is most beneficial to the community.

Everyone is invited to attend! Tell your friends and neighbors!
