

**Geneva Car Barn and Powerhouse
U.S. Environmental Protection Agency
Brownfield Cleanup Grant**

Public Meeting and Request for Comments

The Geneva Car Barn and Powerhouse, owned by the San Francisco Recreation and Park Department (SFRPD) is a former railway center whose historic uses have resulted in environmental contamination. SFRPD is applying for a U.S. EPA grant to pay for the development and implementation of a clean-up plan and site clean-up, with the goal of renovating the building to become a community arts center.

SFRPD will discuss the grant, environmental conditions, and the conceptual clean-up plan at the OMI (Oceanview Merced Ingleside) Community Collaborative, which is open to the public. Meeting details are as following:

OMI Community Collaborative Meeting
Friday, November 20, 2015, 10:00 am – 12:00 pm*
OMI-Excelsior Beacon
241 Oneida Avenue
San Francisco, CA 94112

*The Geneva Car Barn and Powerhouse EPA grant presentation will take place at approximately 11:15 am.

The draft grant application will be available in hard copy at the Ingleside Branch Library (1298 Ocean Avenue) and online at sfrecpark.org/destination/geneva-car-barn by December 1, 2015. The public is invited to comment on the application until December 14, 2015.
