Over the last year, the City has carefully studied the options for improving visitor access and safety along the Marina Bay trail between Scott St. and Baker St. This process included two community workshops, surveys, data analysis and consideration of a range of alternatives. Please join us to review the proposed plan and provide your input on refinements.

For ADA accommodations please call Vicky Pitner in the Inclusion Center 415.206.1546 at least 72 hours in advance. For translation services please call 415.581.2579 at least 72 hours prior to the meeting.
