

# **Significant Natural Resource Areas Management Plan**

Final Draft  
February 2006

San Francisco Recreation and Park Department

# Significant Natural Resource Areas Management Plan

## TABLE OF CONTENTS

|   | <u>Page</u> |
|---|-------------|
| <b>1 OVERVIEW</b>   |             |
| 1.1 Introduction.....                                       | 1-1         |
| 1.2 Significant Natural Resource Areas .....                | 1-1         |
| 1.3 Natural Areas Program.....                              | 1-1         |
| 1.4 Management Plan Background and Objectives.....          | 1-2         |
| 1.5 Plan Scope and Definitions.....                         | 1-4         |
| 1.6 Relationship to Other Plans and Policies .....          | 1-6         |
| 1.7 Public Input, Outreach, and Next Steps .....            | 1-9         |
| 1.8 Plan Participants .....                                 | 1-11        |
| 1.9 Management Plan Organization .....                      | 1-12        |
| <b>2 MANAGEMENT APPROACH</b>                                |             |
| 2.1 Goals.....  | 2-1         |
| 2.2 Ecosystem Functions and Management Concerns .....       | 2-2         |
| 2.3 Restoration and Management Strategies and Methods ..... | 2-3         |
| <b>3 SETTING</b>  |             |
| 3.1 Climate .....   | 3-1         |
| 3.2 Geology, Soils, and Hydrology .....                     | 3-1         |
| 3.3 Biology - The Franciscan Landscape.....                 | 3-3         |
| 3.4 Recreation and Public Use .....                         | 3-13        |
| 3.5 Land Use Histories .....                                | 3-16        |
| <b>4 INTEGRATED PEST MANAGEMENT (IPM)</b>                   |             |
| 4.1 Introduction.....                                       | 4-1         |
| 4.2 IPM Programs .....                                      | 4-2         |
| <b>5 GENERAL RECOMMENDATIONS</b>                            |             |
| 5.1 Introduction.....                                       | 5-1         |
| 5.2 System-wide Issues and Management Actions .....         | 5-1         |
| 5.3 Best Management Practices .....                         | 5-20        |

**6 SITE-SPECIFIC CONDITIONS AND RECOMMENDATIONS**

|   |        |
|---|--------|
| 6.0 Site-Specific Conditions and Recommendations .....                    | 6.0-1  |
| 6.1 Lake Merced .....   | 6.1-1  |
| General Description and Location .....                                    | 6.1-1  |
| Geology, Hydrology, and Trails.....                                       | 6.1-2  |
| Vegetation.....   | 6.1-3  |
| Wildlife .....  | 6.1-6  |
| Management Areas.....   | 6.1-11 |
| Issues and Recommendations.....   | 6.1-12 |
| 6.2 Mount Davidson .....  | 6.2-1  |
| General Description and Location .....                                    | 6.2-1  |
| Geology, Hydrology, and Trails.....                                       | 6.2-1  |
| Vegetation.....   | 6.2-2  |
| Wildlife .....  | 6.2-5  |
| Management Areas.....   | 6.2-6  |
| Issues and Recommendations.....   | 6.2-7  |
| 6.3 Glen Canyon Park and O’Shaughnessy Hollow.....                        | 6.3-1  |
| General Description and Location .....                                    | 6.3-1  |
| Geology, Hydrology, and Trails.....                                       | 6.3-2  |
| Vegetation.....   | 6.3-3  |
| Wildlife .....  | 6.3-6  |
| Management Areas.....   | 6.3-8  |
| Issues and Recommendations.....   | 6.3-9  |
| 6.4 Sharp Park .....  | 6.4-1  |
| General Description and Location .....                                    | 6.4-1  |
| Geology, Hydrology, and Trails.....                                       | 6.4-1  |
| Vegetation.....   | 6.4-4  |
| Wildlife .....  | 6.4-5  |
| Management Areas.....   | 6.4-8  |
| Issues and Recommendations.....   | 6.4-9  |
| 6.5 Grandview Park, Rock Outcrop, Golden Gate Heights, and Hawk Hill..... | 6.5-1  |
| General Description and Location .....                                    | 6.5-1  |
| Geology, Hydrology, and Trails.....                                       | 6.5-1  |
| Vegetation.....   | 6.5-2  |
| Wildlife .....  | 6.5-4  |
| Management Areas.....   | 6.5-6  |
| Issues and Recommendations.....   | 6.5-6  |

|   | <u>Page</u> |
|---|-------------|
| 6.6 Brooks Park and Lakeview/Ashton Mini Park ..... | 6.6-1       |
| General Description and Location .....              | 6.6-1       |
| Geology, Hydrology, and Trails.....                 | 6.6-1       |
| Vegetation.....                                     | 6.6-2       |
| Wildlife .....                                      | 6.6-3       |
| Management Areas.....                               | 6.6-4       |
| Issues and Recommendations.....                     | 6.6-4       |
| 6.7 Pine Lake .....                                 | 6.7-1       |
| General Description and Location .....              | 6.7-1       |
| Geology, Hydrology, and Trails.....                 | 6.7-1       |
| Vegetation.....                                     | 6.7-2       |
| Wildlife .....                                      | 6.7-3       |
| Management Areas.....                               | 6.7-5       |
| Issues and Recommendations.....                     | 6.7-6       |
| 6.8 Twin Peaks .....                                | 6.8-1       |
| General Description and Location .....              | 6.8-1       |
| Geology, Hydrology, and Trails.....                 | 6.8-1       |
| Vegetation.....                                     | 6.8-2       |
| Wildlife .....                                      | 6.8-4       |
| Management Areas.....                               | 6.8-6       |
| Issues and Recommendations.....                     | 6.8-6       |
| 6.9 Billy Goat Hill .....                           | 6.9-1       |
| General Description and Location .....              | 6.9-1       |
| Geology, Hydrology, and Trails.....                 | 6.9-1       |
| Vegetation.....                                     | 6.9-1       |
| Wildlife .....                                      | 6.9-3       |
| Management Areas.....                               | 6.9-3       |
| Issues and Recommendations.....                     | 6.9-4       |
| 6.10 Buena Vista Park.....                          | 6.10-1      |
| General Description and Location .....              | 6.10-1      |
| Geology, Hydrology, and Trails.....                 | 6.10-1      |
| Vegetation.....                                     | 6.10-1      |
| Wildlife .....                                      | 6.10-2      |
| Management Areas.....                               | 6.10-3      |
| Issues and Recommendations.....                     | 6.10-3      |

|   | <u>Page</u> |
|---|-------------|
| 6.11 Corona Heights.....  | 6.11-1      |
| General Description and Location .....  | 6.11-1      |
| Geology, Hydrology, and Trails.....   | 6.11-1      |
| Vegetation.....   | 6.11-2      |
| Wildlife .....  | 6.11-3      |
| Management Areas.....   | 6.11-4      |
| Issues and Recommendations.....   | 6.11-4      |
| 6.12 Duncan-Castro.....   | 6.12-1      |
| General Description and Location .....  | 6.12-1      |
| Geology, Hydrology, and Trails.....   | 6.12-1      |
| Vegetation.....   | 6.12-2      |
| Wildlife .....  | 6.12-3      |
| Management Areas.....   | 6.12-3      |
| Issues and Recommendations.....   | 6.12-3      |
| 6.13 Kite Hill .....  | 6.13-1      |
| General Description and Location .....  | 6.13-1      |
| Geology, Hydrology, and Trails.....   | 6.13-1      |
| Vegetation.....   | 6.13-1      |
| Wildlife .....  | 6.13-2      |
| Management Areas.....   | 6.13-3      |
| Issues and Recommendations.....   | 6.13-3      |
| 6.14 Tank Hill .....  | 6.14-1      |
| General Description and Location .....  | 6.14-1      |
| Geology, Hydrology, and Trails.....   | 6.14-1      |
| Vegetation.....   | 6.14-2      |
| Wildlife .....  | 6.14-3      |
| Management Areas.....   | 6.14-4      |
| Issues and Recommendations.....   | 6.14-4      |
| 6.15 Golden Gate Park (Oak Woodlands, Whiskey Hill, and Strawberry Hill)..... | 6.15-1      |
| General Description and Location .....  | 6.15-1      |
| Geology, Hydrology, and Trails.....   | 6.15-1      |
| Vegetation.....   | 6.15-3      |
| Wildlife .....  | 6.15-5      |
| Management Areas.....   | 6.15-6      |
| Issues and Recommendations.....   | 6.15-6      |

|  | <u>Page</u> |
|--|-------------|
| 6.16 15 <sup>th</sup> Avenue Steps ..... | 6.16-1      |
| General Description and Location .....   | 6.16-1      |
| Geology, Hydrology, and Trails.....      | 6.16-1      |
| Vegetation.....                          | 6.16-1      |
| Wildlife .....                           | 6.16-2      |
| Management Areas.....                    | 6.16-2      |
| Issues and Recommendations.....          | 6.16-2      |
| 6.17 Bayview Park.....                   | 6.17-1      |
| General Description and Location .....   | 6.17-1      |
| Geology, Hydrology, and Trails.....      | 6.17-1      |
| Vegetation.....                          | 6.17-2      |
| Wildlife .....                           | 6.17-5      |
| Management Areas.....                    | 6.17-7      |
| Issues and Recommendations.....          | 6.17-7      |
| 6.18 India Basin Shoreline Park .....    | 6.18-1      |
| General Description and Location .....   | 6.18-1      |
| Geology, Hydrology, and Trails.....      | 6.18-1      |
| Vegetation.....                          | 6.18-2      |
| Wildlife .....                           | 6.18-2      |
| Management Areas.....                    | 6.18-4      |
| Issues and Recommendations.....          | 6.18-4      |
| 6.19 McLaren Park .....                  | 6.19-1      |
| General Description and Location .....   | 6.19-1      |
| Geology, Hydrology, and Trails.....      | 6.19-1      |
| Vegetation.....                          | 6.19-3      |
| Wildlife .....                           | 6.19-5      |
| Management Areas.....                    | 6.19-7      |
| Issues and Recommendations.....          | 6.19-8      |
| 6.20 Palou/Phelps .....                  | 6.20-1      |
| General Description and Location .....   | 6.20-1      |
| Geology, Hydrology, and Trails.....      | 6.20-1      |
| Vegetation.....                          | 6.20-1      |
| Wildlife .....                           | 6.20-2      |
| Management Areas.....                    | 6.20-3      |
| Issues and Recommendations.....          | 6.20-4      |

**LIST OF TABLES**

|             |   |        |
|-------------|---|--------|
| Table 1-1   | Acreage of Significant Natural Areas and Total Park Acreages .....  | 1-13   |
| Table 1-2   | Summary of Policies and Management Actions from 1995 SNRAMP.....  | 1-14   |
| Table 3-1   | Monthly Average Temperatures and Precipitation from 1961 to 1990<br>for Two Locations in San Francisco .....                                    | 3-26   |
| Table 3-2   | Vegetation Formations, Subformations, and Series for Significant<br>Natural Areas .....   | 3-27   |
| Table 3-3   | Vegetation Series and Acreage Found within San Francisco<br>Significant Natural Areas.....  | 3-30   |
| Table 3-4   | Summary of Species Richness, Percent Cover, and Frequency of Plants<br>for Seven Habitat Types within San Francisco Significant Natural Areas.. | 3-32   |
| Table 3-5   | Sensitive Species Presently and Historically Known to Occur at<br>Significant Natural Areas.....  | 3-33   |
| Table 3-6   | Lengths of Trails by Natural Area and Trail Type Including Those to<br>be Re-Routed or Closed and Proposed Trails.....                          | 3-40   |
| Table 4-1   | Priority Pest Plants .....  | 4-6    |
| Table 4-2   | Summary of Control Methods for Weeds.....   | 4-7    |
| Table 4-3   | Weed Management Calendar.....   | 4-10   |
| Table 5-1   | Current and Proposed Dog Play Area Acreages.....  | 5-24   |
| Table 6.0-1 | Acreage of Management Areas within the 31 Natural Areas .....   | 6.0-2  |
| Table 6.1-1 | Vegetation Series Mapped within Natural Areas at Lake Merced.....   | 6.1-20 |
| Table 6.1-2 | Sensitive Species Presently and Historically Known to Occur at<br>Lake Merced .....   | 6.1-21 |
| Table 6.2-1 | Vegetation Series Mapped at Mount Davidson.....   | 6.2-12 |
| Table 6.2-2 | Sensitive Species Known to Occur at Mount Davidson .....  | 6.2-13 |
| Table 6.3-1 | Vegetation Series Mapped at Glen Canyon Park and<br>O'Shaughnessy Hollow .....  | 6.3-18 |
| Table 6.3-2 | Sensitive Species Known to Occur at Glen Canyon Park and<br>O'Shaughnessy Hollow .....  | 6.3-19 |
| Table 6.4-1 | Vegetation Series Mapped at Sharp Park.....   | 6.4-18 |
| Table 6.4-2 | Sensitive Species Historically and Presently Known to Occur at<br>Sharp Park.....   | 6.4-19 |
| Table 6.5-1 | Vegetation Series Mapped within Natural Areas at Grandview Park,<br>Golden Gate Heights, Rock Outcrop, and Hawk Hill.....                       | 6.5-11 |
| Table 6.5-2 | Sensitive Species Presently or Historically Known to Occur at<br>Grandview Park, Golden Gate Heights, Rock Outcrop, and Hawk Hill...            | 6.5-12 |

|              | <u>Page</u>   |
|--------------|---|
| Table 6.6-1  | Vegetation Series Mapped within the Natural Areas at Brooks Park and Lakeview/Ashton Mini Park..... 6.6-7                                       |
| Table 6.6-2  | Sensitive Species Known to Occur at Brooks Park and Lakeview/Ashton Mini Park ..... 6.6-8   |
| Table 6.7-1  | Vegetation Series Mapped at Pine Lake ..... 6.7-12  |
| Table 6.7-2  | Sensitive Species Historically and Presently Known to Occur at Pine Lake..... 6.7-13  |
| Table 6.8-1  | Vegetation Series Mapped at Twin Peaks ..... 6.8-10   |
| Table 6.8-2  | Sensitive Species Historically and Presently Known to Occur at Twin Peaks..... 6.8-11   |
| Table 6.9-1  | Vegetation Series Mapped at Billy Goat Hill ..... 6.9-7   |
| Table 6.9-2  | Sensitive Species Presently and Historically Known to Occur at Billy Goat Hill ..... 6.9-8  |
| Table 6.10-1 | Vegetation Series Mapped at Buena Vista Park..... 6.10-7  |
| Table 6.10-2 | Sensitive Species Presently and Historically Known to Occur at Buena Vista Park ..... 6.10-8  |
| Table 6.11-1 | Vegetation Series Mapped at Corona Heights..... 6.11-8  |
| Table 6.11-2 | Sensitive Species Historically and Presently Known to Occur at Corona Heights ..... 6.11-9  |
| Table 6.12-1 | Vegetation Series Mapped at Duncan-Castro..... 6.12-6   |
| Table 6.12-2 | Sensitive Species Known to Occur at Duncan-Castro ..... 6.12-7  |
| Table 6.13-1 | Vegetation Series Mapped at Kite Hill ..... 6.13-7  |
| Table 6.13-2 | Sensitive Species Presently and Historically Known to Occur at Kite Hill..... 6.13-8  |
| Table 6.14-1 | Vegetation Series Mapped at Tank Hill..... 6.14-7   |
| Table 6.14-2 | Sensitive Species Historically and Presently Known to Occur at Tank Hill ..... 6.14-8   |
| Table 6.15-1 | Vegetation Series Mapped at Golden Gate Park (Oak Woodlands, Strawberry Hill, and Whiskey Hill)..... 6.15-11                                    |
| Table 6.15-2 | Sensitive Species Known to Presently or Historically Occur at Golden Gate Park (Oak Woodlands, Strawberry Hill, and Whiskey Hill) ..... 6.15-12 |
| Table 6.16-1 | Vegetation Series Mapped at 15th Avenue Steps..... 6.16-5   |
| Table 6.17-1 | Vegetation Series Mapped at Bayview Park ..... 6.17-16  |
| Table 6.17-2 | Sensitive Species Presently or Historically Known to Occur at Bayview Park..... 6.17-17   |
| Table 6.17-3 | Management Area at Bayview Park and Sensitive Plant Species to Consider for Augmentation within Management Areas ..... 6.17-19                  |
